Public Content

The City is submitting a grant application to the U.S. Department of Transportation's Rebuilding American Infrastructure with Sustainability and Equity Grant program (RAISE).

The City intends to use the proposed grant to reconstruct significant portions of Griswold and Woodburn, adding curb and gutter (similar to the Dillon Avenue project) as well as add sidewalks to the neighborhood and a multi-use path to connect Scheid Park to LeFevre Road. There is a non-Federal match requirement of up to twenty percent (20%) of the grant award, which will be satisfied by the Local Option Sales Tax. It is the recommendation of the staff to authorize the City's Grant Application and 20% local funding commitment.
