Meeting :	Sep 23, 2019 - Special City Council Meeting at 5:15 pm
Type :	Action (Consent)
Recommended Action :	The consulting engineers and City staff recommend City Council accept and approve the low bid in the amount of $319,931.13 to Civil Constructors, Inc. of Freeport, Illinois.

Public Content

The City's sanitary sewer force main, north of Lynn Boulevard and east of 16th Ave suffered a partial collapse. The broken line washed out some subsurface areas below the farm field it runs through which then resulted in a sinkhole in which a farmer's combine ran into last September. Ths City has since been working on engineering options for fixing or replacing the force main. Due to the age and condition of the line and the possibility of similar collapses elsewhere in the line within a working farm field, it was determined the best option was to replace the line with a new line that will be located primarily in the right-of-way along Lynn Boulevard.

The City received 6 bids for the project. The low bid was in the amount of $319,931.13 from Civil Constructors, Inc. of Freeport, Illinois.

Consent

Our adopted rules of Parliamentary Procedure, Robert's Rules, provide for a consent agenda listing several items for approval of the Board by a single motion. Most of the items listed under the consent agenda have gone through Board subcommittee review and recommendation. Documentation concerning these items has been provided to all Board members and the public in advance to assure an extensive and thorough review. Items may be removed from the consent agenda at the request of any board member.
